

# 5-day webinar with Dr. André Saine

## Pure Homeopathy in **Cases with Severe Pathologies** and the presentation of new **Materia Medica Monographs**

As in the previous year, Dr. André Saine will also hold an **international webinar** in 2022.

This online seminar will be offered to colleagues from USA and Canada via the website of the Canadian Academy of Homeopathy. Colleagues from other countries please register only in Germany, because only here the different lower prices are available.

The advantage of this new format is that many more homeopaths from all over the world can benefit from his extraordinary knowledge and great success in treating patients with the most severe pathologies. In addition, he will present new monographs of remedies that can be helpful in the treatment of patients with cancer and other severe pathologies.

The organization of an additional classroom event (at the Banz Monastery) will be postponed until next year due to the pandemic. Further details at the end of this invitation.

## Dr. André Saine

Dr André Saine lives and works in Montréal. A graduate of the National College of Naturopathic Medicine in Portland, Oregon, and Dean of the Canadian Academy of Homeopathy since 1986, he has extensively taught genuine homeopathy on the international scene for about 40 years. André Saine is one of the world's best homeopaths for his knowledge of materia medica, with his equally precise and sensitive anamnesis and with case analyses that are objective, logical and easy to follow. He is a very alert, well-read, immensely diligent and, in addition, very likeable colleague, with an extraordinarily lively style of presentation. For further information on the work of André Saine and for access to his numerous papers, please visit [www.mmpp-saine.org](http://www.mmpp-saine.org) or the Canadian Academy of Homeopathy website at [www.homeopathy.ca](http://www.homeopathy.ca)

### Practical aspects of the course

- **Daily recordings** of the webinar will be available, so anyone can follow the course regardless of the inconvenience of the different time zones. Registrants will receive a daily **link** to access the recordings.

## Pre-announcement for the face-to-face event in Banz Monastery in 2023

After many participants of the last webinars expressed the strong wish that a face-to-face event be organized again, we have already planned the framework conditions for the year 2023.

Therefore, we have booked appropriate locations in the Banz Monastery for the period

**Monday, October 16 up to and including Friday, October 20.**

Saturday, October 21 is planned to be an Orga meeting for matters concerning the MMPP.

Arrivals will be possible already on October 15 and departures on October 21/22.

- At Banz Monastery, conference rooms, rooms, restaurant and other common rooms are all under one roof. This can strengthen the group feeling
- Good vegetarian/vegan food in buffet form is offered to us
- In the charming nature around the monastery, joint hikes and other outdoor activities are possible on request.
- Further leisure activities: in-house swimming pool, sauna, bowling alley, table tennis, fitness room or Obermain-Therme in the near surrounding.
