

**Kloster Banz – a green meeting point for
„2023 MMPP Congress with Dr. Andre Saine“
16. bis 20. Oktober 2023**

Pure Homeopathy in **Cases with Severe Pathologies** and the presentation of new
Materia Medica Monographs

For the first time in 3 years, Dr. André Saine is coming to Germany again for a presence seminar - and it will be his only presence seminar in 2023. This gives you the chance to experience one of the world's best homeopaths - especially in severe pathologies - live (also with a live anamnesis)!

And the seminar will also take place in the very special atmosphere of the **Banz Monastery, Bad Staffelstein** - a place of peace and mindfulness, in the middle of Frankish nature.

We cordially invite you to this special seminar event - a week of intensive learning with one of the great homeopathy masters and in an extraordinary place.

The monastery is spacious enough so that despite congress and living in Banz Monastery for each individual or in small groups, in the garden, in the monastery courtyard, in the reading hall, in the bowling alley, table tennis, in the Bier-Stübla and monastery restaurant, in the monastery church and in the surrounding monastery forest a balance and retreat can take place. Wonderful hiking trails begin directly at the monastery, freeing the mind and offering magnificent views.

The former carriage hall, the seminar room available to us, has been lovingly restored and offers us bright rooms with floor-to-ceiling windows. Access is at ground level via the courtyard suitable for private use. In order to keep the charm of this extraordinary seminar room (the carriage hall), the **maximum number of participants was set at 55.**

The inner courtyard of the monastery is generally car-free, but access for participants with mobility restrictions is possible up to the elevator of the entrance portal. In the house all rooms are accessible by elevator barrier-free.

A sufficient contingent of rooms is available directly in the monastery, so that the desired commonality is given. The rooms are functionally equipped and fit into the monastic ambience. **Please note that the room contingent is only available until 30.04.2023, otherwise cancellation fees would apply.**

The price for a single room is between 72 - 80 € per day (incl. breakfast), depending on the category. The rooms are to be booked directly by the participants via a booking link (see instructions attached). Alternative possibilities for accommodation in the attached overview.

Further information about the seminar location: <https://www.hss.de/bildungszentren/kloster-banz/>

Schedule

After 3 years without a presence event we are looking forward to intensive, interesting and varied seminar contents and days. Below is the preliminary schedule:

- 20.Oktober: Cases and MMPP proving of Natrium fluoricum, Question & Answers, case 2 from André Saine

For optimal learning effect, all cases are sent to participants in advance for self-study.

Dr. André Saine

Dr. André Saine lives and works in Montréal. He is a graduate of the National College of Naturopathic Medicine in Portland, Oregon and Dean of the Canadian Academy of Homeopathy since 1986. He has been teaching genuine homeopathy internationally for 40 years now.

André Saine is certainly one of the best homeopaths in the world with his exceptional knowledge of materia medica, his precise and insightful case anamnesis and case analyses that are objective, logical and easy to follow. He is a very alert, well-read, immensely diligent and, in addition, very likeable colleague with an extraordinarily lively lecture style. Further information and texts by André Saine are available at www.mmp-saine.org or on his own website www.homeopathy.ca.

Online participation

For all those who have to travel too far or would rather stay at home for other reasons, there is the possibility of online participation. Due to the time difference, it is only possible to participate in the **afternoon program** (14.00 - 18.00 h German time). At this time it is possible to ask questions via chat function.

Irrespective of this, the seminar days are recorded daily. Participants will receive a link to access the recordings of the afternoons after the end of the seminar. The mornings are also available for an additional charge.

Upon application, a reduction is possible upon proof of a very low (family) income.

The seminar price includes:

- -5-day advanced training with Dr. André Saine = at least 36 teaching units condensed "Pure Homeopathy" from practice for practice. After the seminar, video recordings will be sent for the booked lessons as well as various files for further study.
- **Break refreshments:** Coffee, tea, lemon and ginger water, fruit, mixed nuts, vegetable sticks, pastries and cakes.
- **3-course lunch buffet** as well as **2-course dinner menu:** varied vegetarian/vegan offer, fish optional (Please inform the staff about individual food intolerances upon arrival.)
- **Free WLAN** is available in the seminar room as well as sufficient extension cables for possible PC use (own laptop)
- Short **units of relaxation** - optional (for example yoga, qigong)
- Sufficient opportunities to discuss project-related work in small groups (Foyer and meeting room are available 24 hours a day)
- **Joint hike** on the idyllic hiking trails around the spa town of Bad Staffelstein on Wednesday morning
- **Common end** of the intensive seminar week on Friday evening with a musical highlight

Things to know about the seminar:

- The seminar is suitable for both experienced homeopaths and beginners, everyone will be able to benefit in their own way.
- The seminar language is English. As a French-Canadian, André Saine's native language is French, so he speaks English with little accent and is easy to understand.
- The German physicians please bring the barcodes. The full-day classroom course is expected to be certified by the Medical Association with approximately 36 points and the online course (afternoon only) with 20 points..
If you participate online, you will receive 20 points. Then please send your original barcode (no scans !) by mail to Dr. Klaus Habich, Eggerstedtstraße 56, 22765 Hamburg, Germany.
- There will be a meeting of all active MMPP members on **Saturday, 10/21/2023**. All who are interested to participate are welcome. More information about the MMPP on <https://mmpp-saine.org>

Registration this year is exclusively through the MMPP website at:

<https://mmpp-saine.org/>

Please email questions to banz@mmpp-saine.org

The organization team welcomes you

Clemens Breig, Dr. Klaus Habich, Kerstin Kotschenreuther, Roland Methner, Christine Heckmann
